Foreword from our Chairperson

DEAR TEACHERS AND PERFORMERS,

It gives me much pleasure to present the 2018 CARRICKFERGUS FESTIVAL OF MUSIC, SPEECH and DRAMA SYLLABUS to you.

You will find a wide range of classes in the Speech & Drama, instrumental, vocal and choral sections of our syllabus to suit all age ranges and stages.

In Carrickfergus, it is our aim to provide performers with a platform, followed by an adjudication from an expert in each genre. You may also like to come and perform a piece you have already presented in an exam or are about to present.

Our festival is affiliated to The British and International Federation of Festivals for Music, Dance and Speech, of which Her Majesty, The Queen, is Patron. The festival movement continues to flourish not only in the UK and Ireland but also in Hong Kong and Sri Lanka.

We are a very welcoming festival and strive to provide all our performers with a friendly environment to make the experience as enjoyable as possible. We look forward to receiving the entry forms!

With Best Regards

John McIlwaine, Chairperson CMFA

Carrickfergus Music Festival Association - Child Protection Policy

The British and International Federation of Festivals for Music, Dance and Speech work for amateur festivals everywhere to help create thousands of educational performance opportunities for children and young people each year.

The Federation, and our member Festivals, are committed to ensuring safe environments for children and young people and believe that it is always unacceptable for a child or young person to experience abuse of any kind. We recognise our responsibility to safeguard the welfare of all children and young people, by a commitment to recommend best practice which protects them.

This policy applies to our Board of Trustees, paid staff, Adjudicator members, volunteers, students or anyone working on behalf of the Federation and our member Festivals.

We recognise that:

- the welfare of the child/young person is paramount
- all children, regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity, have the right to equal protection from all types of harm or abuse
- working in partnership with children, young people, their parents, carers and other agencies is essential in promoting young people's welfare.

The purpose of the policy:

- to provide protection for the children and young people who participate in our festivals, including the children of festival members
- to provide staff and volunteers with guidance on procedures they should adopt in the event that they suspect a child or young person may be experiencing, or be at risk of, harm

We will seek to safeguard children and young people by:

- valuing them, listening to and respecting them
- adopting child protection guidelines through procedures and safe working practice for staff and volunteers
- recruiting staff and volunteers safely, ensuring all necessary checks are made
- sharing information about child protection and safe working practice with children, parents, staff and volunteers
- sharing information about concerns with agencies who need to know, and involving parents and children appropriately
- providing effective management for staff and volunteers through supervision, support and training.

The Federation will review this policy each year in November in line with Safe Network guidance or sooner in light of any changes in legislation or guidance. All changes will be communicated to our member Festivals in time for the start of the new Festival year.

Creating Safer Festivals for Everyone

The Federation and its member Festivals use the following policies and procedures to create Safer Festivals for everyone:

A single, definitive Child Protection Policy adopted by all Federation Festivals.

One or more designated Festival Safeguarding Officers (FSO) appointed for each Federation Festival. Name: John McIlwaine phone 028 93368331, Audrey Stewart phone 028 93372043 and Mary Muir phone 028 93366817.

Best practice advice in the form of Safe Working Practice and Festival Child Protection leaflets, with support and training for all Festival staff and volunteers. Including clear reporting procedures for anyone with a concern about a child.

Appropriate recruitment and induction procedures for all new Festival staff and volunteers responsible for providing safe environments for everyone attending / performing at a Federation Festival.

All Festival stewards wear an identity badge. All teachers/parents/guardians /carers are asked to report all incidents of any nature to anyone wearing a badge. All reported incidents will be handled in accordance with the Safe Working Practice and Festival Child Protection best practice advice. In addition we will ensure the availability of a quiet area / room where concerns can be expressed in private.

For the duration of the Festival all teachers/parents/guardians/carers are responsible for the continuous care and supervision of their own children/pupils/vulnerable adults. If they are unable to attend personally, they must delegate their responsibilities to an identified adult and ensure that their children/pupils/vulnerable adults are aware of the identity and name of the person responsible for their care. This includes supervision throughout all Festival venues, performance, practice and changing areas that may be provided.

No unauthorised photography or video recording is allowed at our Festivals. Where parents/guardians/carers do not wish photos to be taken at all, then the responsible adult attending should ensure that their child/pupil/vulnerable adult is not included in official authorised photos.

Some children and vulnerable adults may have specific needs in order to take part. If this is the case we ask the responsible teachers/parents/guardians/carers to contact the Festival prior to arrival. The Festival actively seeks wherever possible to meet these needs, but must know beforehand in order to prepare support – or to advise that help cannot be provided on this occasion.

The Festival's Child Protection Policy and approach to Creating Safer Festivals for Everyone is published explicitly in our Syllabus, Programme and on our website. By completing and signing the entry form all parents / guardians / carers and teachers of entrants under 18 (or vulnerable adults of any age) confirm that they give (or have obtained) the necessary consents for the entrants to take part in the Festival. Without consent the entry to the Festival cannot be accepted.
